

## **ST MARYS CHURCH CREGGAN DERRY**

**We are grateful to God that we can at least now in this time of pandemic visit Jesus in the Blessed Sacrament in our Church for private individual prayer.**

**The main church will open at 10:45 Monday to Saturday and close at 5:55pm. Entrance is through the open door on Fanad Drive**

**On Sundays it will open from 1:30-5:55pm.**

**It is very important that social distancing be maintained in the church. Therefore seating is only available in the pews that are open. It is very important that when you visit the church that you use the hand sanitiser provided to clean your hands. Please then lift a card and bring it to the seat you are sitting in. Please leave the Card in the Seat you sat in. Please use hand sanitiser as you leave the Church.**

**The card indicates that the seat you have sat in is not to be used by another person. Seats with Cards will be cleaned with sanitiser after your departure, as will candelabras, doors and other common contact surfaces.**
